Dear Sonia

Further to your phone call to day as discussed I did not receive any written correspondance from the BBC Scotland and did not give any contact telephone Nos work or personnal Nos to the BBC Scotland.

I was surprised that you were able to call me on my personnel Mobile No.

I was distressed by this as after the court case I received a number of malicious phone calls from Scotland which I had to report to the police and also sought legal advice.

I would ask that all enquiries for Interviews, statements or any other requests by the BBC Scotland should be put forward to my solicitors.

As I understand that a legal process is currently in process in relation to Mr John Porteous.

My solicitors address is as follows:

Mr Cameron S Fyfe  
Partner  
Ross Harper  
Solicitors  
Head office  
Sun House  
58 West Regent Street  
Glasgow G2 2QZ

Yours Sincerely

David Whelan
